

LARA WEAR

PRECIOUS KNITWEAR

MARKETING PARTNERSHIP OF LUXURY KNITTED ITEMS, MADE IN ROMANIA – OWN FACTORY

Dear Madam / Dear Sir,

Bucharest, 2023

We are the owner of the brand - www.larawear.ro, but also a manufacturer of knitwear. We can knit products, short or long series, for men, women and children, with 100% natural yarns, produced in Italy, at the largest supplier in the world, appreciated for the superior quality of wool - Zegna Baruffa Lane Borgosesia ([https:// www.baruffa.com](https://www.baruffa.com)).

The products from the Lara Wear collection are intended for those who appreciate quality and are extremely competitive in terms of price, because they are primarily sold at "manufacturer's price". The innovative equipment and latest generation technology from our own factory, financed by non-refundable European funds, allows us to offer to our customers quality products at competitive prices.

The entire collection is presented in our online shop, www.larawear.ro. We don't think that "that's the way it goes". We think it works only "excellently". We are not satisfied with "good luck", but we strongly believe in excellence, seriousness, authenticity and uniqueness.

We would like to collaborate in order to commercialize our products, as we share the same values: respect for customers, flexibility, but not least the assumption of responsibility. If such a partnership is of interest to you, please contact us at the following coordinates:
